

**Team Meeting #8 Agenda, 10-13**

- Debrief Capstone Snapshot
- Discuss plans for parts

**Team Meeting #8 Minutes**

Snapshot went well, Dr. Hiller visited and mentioned that he is excited to see what we are able to come up with

- Maclean will start to grab parts from Dr. Perry as they come in
  - We will meet in person next Tuesday to begin prototyping
- Jett will email Dr. Hiller tonight with times that the group is available to come visit him and see a few arthroscopic tools in use
- Dr. Hiller asked as well that everyone's individual contact info be passed onto him as well
- We will meet with him as a team again on Friday and touch base regarding availability
  - Everyone should come to that meeting with a few new questions regarding the device, including usability, ergonomics, and small improvements that we can make

**Action Items for Next Week:**

- Maclean- Pick up parts from Dr. Perry
- Jett- Email Dr. Hiller to set up an OR meeting
- Everyone- Brainstorm questions for our client meeting on Friday
